UK passport holders travelling to the EU need to ensure their passport has at least six months validity remaining and is less than 10 years old. This means you may need to renew your passport before it is expired or you will be unable to travel.

Please do note that the 2 ski holidays in March **include lift pass and ski carriage**. Unfortunately, we are unable to change carriage for ski hire so we would really recommend hiring from the club.

* Special requests and room-mate preferences will be taken into account where reasonable and practicable. However, on occasion room allocations may need to be changed to ensure the smooth running of the holiday as a whole.

Applications

Applications for the March holidays will be taken in person at our Annual General Meeting on Tuesday 17th of September - 7pm. Forms must be submitted on the night by the member making the application. We will have some blanks but you should print your own if possible. Should a trip be oversubscribed, we will proceed with an anonymised draw to allocate spaces.

If you are not able to be present at the AGM, you can email your application before noon on the day of the AGM. Completed application forms must be scanned and sent by email to holidays@edinburghskiclub.org.uk. **Do not send booking forms or cheques to the Clubrooms.**

Payment of the £175 deposit must be made by bank transfer within a week of booking. Once your space has been confirmed, the holiday coordinator will be in touch to request this, alongside payment information. Credit cards, cheques and cash are not accepted. The balance will be due on 11th November 2024 for the La Tania trip, and 24th November for Mayrhofen.

Waiting lists will come into operation once our holidays are sold out. For more information, please refer to our [holiday terms and conditions](#).

How we will communicate with you

Holiday communication will be by email so please make sure your email address on the form is legible and keep the Club up to date with any address changes.

Please also add holidays@edinburghskiclub.org.uk to your list of "safe senders" to avoid holiday-related emails being moved automatically to your spam or junk folders.

Alternative flights

Our holidays include flights from Edinburgh Airport, and transfers to and from the resort. To book travel from an alternative UK airport, you must submit a request by email to the Organiser *before* booking. In addition:

- the full cost of the holiday must be paid at the time of booking, and no refunds will be given, should you later cancel
- such flights are subject to availability and you will need to meet any additional costs
- flights from non-UK airports are not available.
